RE: Discovery - Case # 6:07-CR-058 (b3)

Date: 11-26-07

Dear U.S. District Court Clerk,

A motion for discovery has been filed and I'd like your office to send me a copy. I have a court date coming up and need to review it prior to my court date. I'd appreciate a prompt response as per this letter so that I won't have to file for a continuance. I will not be able to fully defend myself without it, so I look hard and forward to a response as per this request.

Respectfully Submitted

Juan F. Goitia
